

In Project 1 ;

I considered some plans,

① Food Rubbing

② Game rules

~~③~~

But I only have acrylic pens, so I decide
choose the "Plan B" — "Game Rules".

Game Rules 1: Perfect Pie

Each person takes turns drawing a ^{kind food} stroke on the paper according to the game requirements.

Imaging we're make a pie:

First, draw a big circle on the paper as pizza base.

Then, let us put some delicious food on it, and remember keeping a balanced diet of meat, vegetables and fruits in a helical shape. The center of this pie is the starting point.

Make sure everyone have a piece of pie.

Now, let us cut this "perfect pie".

Project 1 - Brainstorm

It's difficult for me to order satisfied foods in the restaurants in UK.

So I had to learn how to cook for myself.

Every day I make decision about food, and search recipes and ingredients for my meals.

If it is a weekday, I will drink a cup of coffee, and eat breads for breakfast. (if it's not

If it's not a weekday, I'd like to cook dumplings for my breakfast.

If it is mid day, I'll make

fried rice with egg, because it is convenient and simple.

I'd like to put leftovers in our refrigerator as my dinners.

And occasionally I do not eat food, maybe I am going to be late, ^{or} maybe I oversleep then miss a meal.
