

Here is my reference, I take this photo during I travel Maraketch.

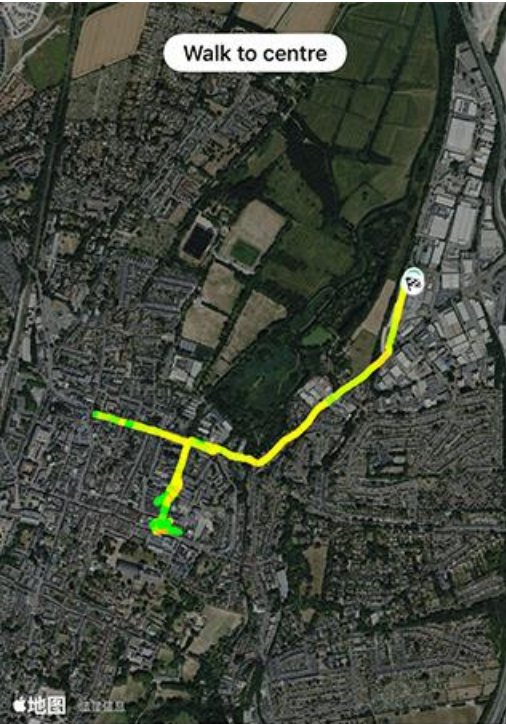

I ' d like to hang out.

In recent months, I try to visualize my data by my sport watch an drawing some illustrations.

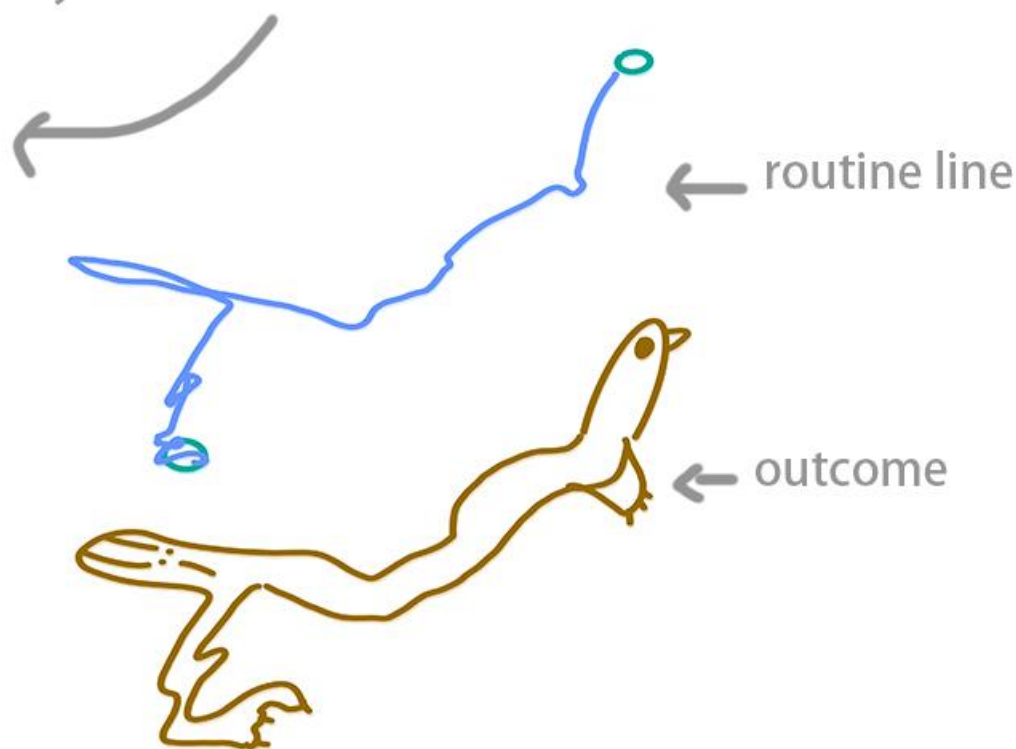

I combined illustration and the routine of that day visited Maraketch.

outcome

I find an interesting
hourse when I visit a
farm that day. So I
combine it with the
rouitne line.

rouitne line - draft

I visted the Tesco just for buying food and hung out.
So I combine chicken, fish, and a face waiting delicious food in this routine line.
